

Devil Don't Know
Morgan Wallen

[Verse 1]

C5 F#sus2 C5
There's a bottle on the King James coaster
F#sus2
Miller Lite full of cigarettes
C5
Too drunk to be hungover
F#sus2
Last night still on my breath
C5
There ain't no startin' over
F#sus2
And this over never ends
Am7 G#sus4
I've been tryna drown these demons
F#sus2
I'll be damned if they don't swim

[Chorus]

G#sus4 F#sus2 C5
What's keepin' me up all night is knowin' what's keepin' you up all night
G#sus4 F#sus2 C5
Since I ain't the one holdin' on to you, I'm holdin' on for dear life
G#sus4 Am7 G#sus4 F#sus2
Fire and brimstone ain't got nothin' on seein' you with someone else
G#sus4
It's a whole 'nother level, girl, even the devil don't know this kind of hell

[Verse 2]

C5 F#sus2 C5
It ain't the one out of Revelation
F#sus2
Nah, it's way too cold for that
C5
It's the heartbreak that won't stop
Everywhere you're not
F#sus2
And everything I can't get back

[Chorus]

Gsus4 **Fsus2** **C5**
What's keepin' me up all night is knowin' what's keepin' you up all night
Gsus4 **Fsus2** **C5**
Since I ain't the one holdin' on to you, I'm holdin' on for dear life
Gsus4 **Am7** **Gsus4** **Fsus2**
Fire and brimstone ain't got nothin' on seein' you with someone else
Gsus4
It's a whole 'nother level, girl, even the devil don't know this kind of hell

[Bridge]

C5 **Fsus2** **Am7**
It ain't what I did to get here
Gsus4
Nah, it's everything I didn't
Fsus2
And no, I can't tell you where Heaven is
But I know right I'm where it isn't

[Chorus]

Gsus4 **Fsus2** **C5**
What's keepin' me up all night is knowin' what's keepin' you up all night
Gsus4 **Fsus2** **C5**
Since I ain't the one holdin' on to you, I'm holdin' on for dear life
Gsus4 **Am7** **Gsus4** **Fsus2**
Fire and brimstone ain't got nothin' on seein' you with someone else
Gsus4 **Am7** **Gsus4**
It's a whole 'nother level, girl, even the devil don't know this kind of hell
Fsus2
Don't know this kind of hell

No, the devil don't know
