Db G/B Gb

[Verse 1]

Db

Coming out of my cage

G/B

Gb

And I've been doing just fine
Gotta gotta be down
Because I want it all

Db

It started out with a kiss

G/B

Gb

How did it end up like this
It was only a kiss, it was only a kiss

Db

Now I'm falling asleep

G/B

Gb

And she's calling a cab
While he's having a smoke
And she's taking a drag

Db

Now they're going to bed

G/B

Gb

And my stomach is sick
And it's all in my head

[Pre-Chorus]

But she's touching his chest

Now, he takes off her dress

Now, let me go

I just can't look its killing me
And taking control

[Chorus]

Jealousy, turning saints into the sea

Swimming through sick lullabies

Choking on your alibis

But it's just the price I pay

Destiny is calling me

Open up my eager eyes

Cause I'm Mister Brightside
