[Verse 1]

Fmaj7 Am
We move like cagey tigers
Fmaj7
We couldn't get closer than this
Am
The way we walk
The way we talk
Fmaj7
The way we stalk
The way we kiss
Am
We slip through the streets
While everyone sleeps
Fmaj7
Getting bigger and sleeker
And wider and brighter
Am
We bite and scratch and scream all night
Fmaj7
Let's go And throw All the songs we know

[Chorus]

C
Into the sea
You and me
Dm
All these years and no one heard
C
I'll show you in spring
It's a treacherous thing
Dm Am
We missed you hissed the lovecats

Am **Fmaj7**
Oh you know that I'd do anything for you
Am
We should have each other to tea, huh?
Fmaj7
We should have each other with cream
Am
Then curl up in the fire
And sleep for awhile
Fmaj7
It's the grooviest thing
It's the perfect dream

[Chorus]
