

Call It Rock 'N Roll
Great White

INTRO: (RHYTHM GUITAR)

D D D

D D D

Oh, yeah

G D D A

Sounds familiar

G D A

Let's rock it man

=====

Don't you lose your head
I'll make your heart feel good

Tell me what ya gonna do,
Taking all our highs away
It's enough to turn you around
But, mamma, not today

CHORUS:

Well come on, little baby, let's call it rock and roll
Well come on, little baby, let's call it rock and roll
Gonna get a good feeling
Right down to your soul
Yes sir

INSTRUMENTAL/SOLO:

D G D D
G G D D
A G D A

VERSE:

Now your papa's getting down,
Momma's saying you're no good

Oh baby, it's a shame
It's never really understood

How a dose of rock and roll
Can make your heart feel good

CHORUS:

Well come on, little baby, let's call it rock and roll
Come on, little mama, let's call it rock and roll
Gonna get a good feeling
Right down to your soul

CHORUS:

Well come on, little baby, let's call it rock and roll
Come on, little honey, let's call it rock and roll
Gonna get a good feeling
Right down to your soul
Yeah, boy

INSTRUMENTAL/SOLO:

D G D D
G G D D
A G D A

OUTRO:

I said, yeah, yeah, call it rock and roll
I said, yeah, yeah, call it rock and roll
Gonna get a good feeling
Right down to your soul

A
Gonna get a good feeling
G **D** **D**
Right down to your soul

A **G**
Gonna get a good feeling
N.C.
Right down to your soul yeah
