So tonight I'll ask the stars above
C **Em F** **G**
How did I ever win your love?
F **C**
What did I do?
E **Am** **G**
What did I say
F **C** **G** **C G F**
To turn your angel eyes my way?

Across a crowded room was close enough

So tonight I'll ask the stars above
C **Em** **F** **G**
How did I ever win your love?

What did I say
F **C** **G** **C**
To turn your angel eyes my way?
