[Verse]

**F#add9**

Two jumps in a week

**Asus2**

**E**

I bet you think that's pretty clever don't you boy?

**F#add9**

Flying on your motorcycle

**Asus2**

**E**

Watching all the ground beneath you drop

**F#add9**

You'd kill yourself for recognition

**Asus2**

**E**

Kill yourself to never, ever stop

**F#add9**

You broke another mirror

**Asus2**

**E**

You're turning into something you are not

**F#add9**

**Asus2**

**E**

Don't leave me high, don't leave me dry

F#add9	Asus2	E
Don't leave me high,	don't leave me dry	

F#add9

## Drying up in conversation

Asus2 E

You'll be the one who cannot talk

## F#add9

All your insides fall to pieces

Asus2 E

You just sit there wishing you could still make love

F#add9

They're the ones who'll hate you

Asus2 E

When you think you've got the world all sussed out

F#add9

They're the ones who'll spit at you

Asus2 E

You'll be the one screaming out

Don't leave me high,          don't leave me dry

Don't leave me high,                      don't leave me dry

It's the best thing that you ever had

Asus2 E

The best thing you have had has gone away
