V.2

Flying high

Some joker clips my wings

Just because he gets a kick

Out of doing those kind of things

I keep on fallin' in space

Or just hangin' in mid-air

But I know

Oh yes, I know

There has just got to be a better world somewhere

Bridge

Ebm Bb

Every woman I want Only wants herself

Ebm Bb

Everybody I love Loves somebody else

Ebm Gm

And every woman Has got a license to break my heart

And every love affair is over Before it gets a chance to start

There Must Be A Better World Somewhere
