

I Drove All Night
Roy Orbison

[Intro]

C Bb F C

[Verse 1]

C Bb
I had to escape; the city was sticky and cruel
C
Maybe I should have called you first
Bb Dm
But I was dying to get to you
F
I was dreaming while I drove
Bb C
The long straight road ahead, uh-huh, yeah

[Bridge 1]

Bb
Could taste your sweet kisses, your arms open wide
C Bb F
This fever for you is just burning me up inside

[Chorus]

Am Bb F Dm
I drove all night to get to you
C
Is that alright?
Am Bb F Dm
I drove all night, crept in your room

Woke you from your sleep to make love to you
Is that alright? I drove all night

[Verse 2]

What in this world keeps us from falling apart?
No matter where I go I hear the beating of your heart
I think about you when the night is cold and dark
Uh-huh, yeah

[Bridge 2]

No one can move me the way that you do
Nothing erases the feeling between me and you

[Chorus]

I drove all night to get to you
Is that alright?
I drove all night, crept in your room
Woke you from your sleep to make love to you
Is that alright? I drove all night
