[Intro]

E A E A

[Verse 1]

E
 Well it's been building up inside of me
   A   **B**
For oh I don't know how long
E
 I don't know why
But I keep thinking
A   **B**
Something's bound to go wrong
F#m   **B**
   But she looks in my eyes
G#m   **C#**
   And makes me realize

[Chorus]

    F#   **G#m**
And she says "Don't worry baby"
C#   **F#**
 Everything will turn out alright
         G#m C# B7
Don't worry baby

[Verse 2]

E
 I guess I should've kept my mouth shut

     A   B
When I started to brag about my car
E
 But I can't back down now because
 A   B
I pushed the other guys too far
F#m   B
  She makes me come alive
G#m   C#
  And makes me wanna drive

[Chorus]

     F#   G#m
When she says "Don't worry baby"
C#   F#
  Everything will turn out alright
        G#m C# B7
Don't worry baby

[Break]

Just take along my love with you

Baby nothing could go wrong with you"
F#m   B
  Oh what she does to me

G#m   **C#**
When she makes love to me
