

Like A Hurricane

Neil Young

[Intro]

Am G F Em
G

[Verse 1]

Am
Once I thought I saw you
G
In a crowded hazy bar,
F
Dancing on the light
Em
From star to star.
G Am
Far across the moonbeam
G
I know that's who you are,
F
I saw your brown eyes
Em G
Turning once to fire.

[Chorus]

C G F G
You are like a hurricane
C G F G
There's calm in your eye.
C G F G
And I'm gettin' blown away
F
To somewhere safer
Where the feeling stays.
I want to love you but
Am
I'm getting blown away.

[Solo 1]

[Verse 2]

Am

I am just a dreamer,

G

But you are just a dream,

F

And you could have been

Em

Anyone to me.

G Am

Before that moment

You touched my lips

G

That perfect feeling

When time just slips

F

Away between us

Em G

On our foggy trip.

[Chorus]

C G F G

You are like a hurricane

C G F G

There's calm in your eye.

C G F G

And I'm gettin' blown away

F

To somewhere safer

Where the feeling stays.

I want to love you but

I'm getting blown away.
