

Sweetest Goodbye
Maroon 5

G#m7 **C#add9**
Where you are it seems to be as far as an eternity

F#6 **D#m7**
Outstretched arms open hearts, and if it never ends then when do we start?

G#m7 **C#add9** **F#6**
I'll never leave you behind or treat you unkind

D#m7
I know you understand

G#m7 **C#add9** **F#6**
And with a tear in my eye, give me the sweetest goodbye

D#m7
That I ever did receive

B **A#7** **D#m7**
Pushing forward and arching back, bring me closer to heart attack

B **A#7** **D#m7**
Say goodbye and just fly away, when you come back, I have something to say

B **A#7** **D#m7**
How does it feel to know you never have to be alone, when you get home?

B **A#7** **D#m7**
There must be someplace here that only you and I could go,

So I can show you how I...

G#m7 **C#add9**
Dream away everyday, try so hard to disregard

F#6
The rythm of the rain that drops

D#m7
And that coincides with the beating of my heart

G#m7 **C#add9** **F#6**
I'll never leave you behind or treat you unkind

D#m7
I know you understand

G#m7 **C#add9** **F#6**
And with a tear in my eye, give me the sweetest goodbye

D#m7
That I ever did receive

B **A#7** **D#m7**
Pushing forward and arching back, bring me closer to heart attack

B **A#7** **D#m7**
Say goodbye and just fly away, when you come back, I have something to say

B **A#7** **D#m7**
How does it feel to know you never have to be alone, when you get home?

B **A#7** **D#m7**
There must be someplace here that only you and I could go,

D#m7
So I can show you how I

B **A#7** **D#m7**
Feel, feel, feel, feel
