

Southern Cross  
Crosby, Stills & Nash

(Intro) A G Dsus4 D Dsus2 D A G Dsus4 D Dsus2 A

Got out of town on a boat goin' to Southern islands  
Sailing a reach before a followin' sea  
She was makin' for the trades on the outside  
And the downhill run to Papeete bay

Off the wind on this heading lie the Marquesas  
We got eighty feet of the waterline nicely making way  
In a noisy bar in Avalon I tried to call you  
But on a midnight watch I realized why twice you ran away

(Chorus)

Think about, think about how many times I have fallen  
Spirits are using me larger voices callin'  
What Heaven brought you and me cannot be forgotten  
Been around the world (I have been arou...nd the world)  
Lookin' (Lookin' for that woman girl)  
Who knows she knows (Who knows love can endure)  
And you know it will

When you see the Southern Cross for the first time  
You understand now why you came this way

Cause the truth you might be runnin' from is so small  
But it's as big as the promise, the promise of a comin' day

So I'm sailing for tomorrow my dreams are a dyin'

A G D G A  
 And my love is an anchor tied to you tied with a silver chain  
A G Dsus4 D Dsus2 D  
 I have my ship and all her flags are a' flyin'  
A G D G A  
 She is all that I have left and music is her name

(Chorus)
