She's been playing that room on the strip for ten years in Vegas

Every night she looks in the mirror but she only ages

She's been reading 'bout Nashville and all the records that everybody's

Say's I'm a simple girl myself grew up on Long Island

So she packs her bags to try her hand

Says this might be my last chance

[Chorus]

	G	C	D
She's gone	country,	look at them	boots
	G	C	D
She's gone	country,	back to her	roots
	G	C	D
She's gone	country,	a new kind of	suit
	Em	NC	
She's gone	country,	here she	comes

Em D
 They're not as backwards as they used to be

[Chorus]

G C D
 He's gone country, look at them boots
G C D
 He's gone country, back to his roots
G C D
 He's gone country, a new kind of suit
Em NC
 He's gone country, here he comes

G C D (riff)
 He commutes to L.A., but he's got a house in the valley
G C D

 But the bills are piling up and the pop scene just ain't on a rally
G C D
 And he says honey I'm a serious composer schooled in voice and
 (Riff)
 composition
G C D
 But with the crime and the smog these days this ain't no place for
 (Riff)
 Children

Lord it sounds so easy, this shouldn't take long
Be back in the money in no time at all

[Chorus]

He's gone country, look at them boots
He's gone country, back to his roots
He's gone country, a new kind of suit
He's gone country, here he comes

[Outro]
(Riff x 2)

Yeah he's gone country, a new kind of walk
He's gone country, a new kind of talk
He's gone country, look at them boots
He's gone country, aw back to his roots

He's gone country
He's gone country everybody's
Gone country yeah we've gone
Country the whole world's
Gone country
