

Lost  
Linkin Park

[Intro]

**Dm F C G**

[Pre-Verse]

**Dm F C G**

[Verse 1]

**Am Am C G**  
Just a scar somewhere down inside of me  
**Dm Am**  
Something I can not repair  
**C G**  
Even though it will always be  
**Dm Am**  
I pretend it isn't there

[Pre-Chorus]

This is how I feel  
**C G**  
I'm trapped in yesterday  
Just a memory  
**Am**  
Where the pain is all I know  
This is all I know  
**C G**  
And I'll never break away  
Can't break free  
'Cause when I'm alone

[Chorus]

**Dm F**  
I'm lost in these memories  
**C G**  
Living behind my own illusion

**Dm**                **F**  
Lost all my dignity  
**C**                        **G**  
Living inside my own confusion

[Verse 2]

**Am**                **Am**                **C**                **G**  
But I'm tired, I will always be afraid  
             **Dm**                        **Am**  
Of the damage I've received  
             **C**                        **G**  
Broken promises they made  
             **Dm**                        **Am**  
And how blindly I believed

[Pre-Chorus]

This is all I know  
             **C**                        **G**  
I will never break away  
Can't break free  
'Cause when I'm alone

[Chorus]

**Dm**                        **F**  
I'm lost in these memories  
**C**                        **G**  
Living behind my own illusion  
**Dm**                        **F**  
Lost all my dignity  
**C**                        **G**  
Living inside my own confusion

[Bridge]

**Am**  
I try to keep this pain inside  
But I will never be alright  
I try to keep this pain inside  
But I will never be alright  
             **Dm**                        **F**  
I try to keep this pain inside

**C**                      **G**  
But I will never be alright  
**Dm**                      **F**  
I try to keep this pain inside  
**C**                      **G**  
But I will never be alright

[Chorus]

**Dm**                      **F**  
I'm lost in these memories  
**C**                      **G**  
Living behind my own illusion  
**Dm**                      **F**  
Lost all my dignity  
**C**                      **G**  
Living inside my own confusion

[Outro/Fade Out]

**Am**
