Your goody-two-shoes prude is a work of art

Bad as can be, yeah you know I'm not so innocent

Better beware I go bump in the night
Dm F Bb A
Devil-may-care with a lust for life

Welcome to the nightmare in my head
F Bb A

Bb A
Welcome to my other side - Hello it's Mz. Hyde!

Dm F Bb
I can be the bitch
A Dm
I can play the whore

Or your fairytale princess who could ask for more
 A touch of wicked
 A pinch of risqué
 Good girl gone bad, my poison is your remedy

 Better be scared, better be afraid
 Now that the beast is out of her cage
 And I know you
 Can't resist this
 You know you
 Are so addicted
 Boy you better run for your life!

 Welcome to the nightmare in my head
 Say hello to something scary
 The monster in your bed
 Just give in and you won't be sorry,
 Welcome to my other side - Hello it's Mz. Hyde!

 I'm the spider crawling down your spine
 Underneath your skin.
 I will gently violate your mind
 Before I tuck you in.
 Put on the blindfold
 There's no way to be sure,

Which girl you'll get toniiiiiiight!

(It's me, Lzzy, I swear!)

Welcome to the nightmare in my head

Say hello to something scary

The monster in your bed

Just give in and you won't be sorry,

Welcome to my other side - Hello it's Mz. Hyde!
