

Forget Me
Lewis Capaldi

[Verse 1]

A
Days ache and nights are long
C#m **B**
Two years and still, you're not gone
Guess I'm still holding on
A
Drag my name through the dirt
C#m **B**
Somehow, it doesn't hurt though
Guess you're still holding on

[Pre-Chorus]

F#m
You told your friends you want me dead
C#m **B**
And said that I did everything wrong
And you're not wrong
F#m
Well, I'll take all the vitriol
C#m **B**
But not the thought of you moving on
A
'Cause I'm not ready

[Chorus]

C#m **B**
To find out you know how to forget me
G#m7 A
I'd rather hear how much you regret me

C#m **B**
And pray to God that you never met me
G#m7
Than forget me Oh,
A
I hate to know I made you cry
C#m **B**
But love to know I cross your mind, babe
Oh, I
G#m7 **A**
Even after all, it still wrecks me
C#m **B**
To find out you knew how to forget me
G#m7
Even after all this time

[Verse 2]

A
Days ache and nights are grey
C#m **B**
My heart is still your place, babe
Guess I still feel the same
A
Know you can't stand my face
C#m **B**
Some scars you can't erase, babe
Guess you still feel the same

[Pre-Chorus]

F#m
Well, I'll take all the vitriol
C#m **B**
But not the thought of you moving on
A
'Cause I'm not ready

[Chorus]

C#m **B**
To find out you know how to forget me
G#m7 A
I'd rather hear how much you regret me
C#m **B**
And pray to God that you never met me
G#m7
Than forget me Oh,
A
I hate to know I made you cry
C#m **B**
But love to know I cross your mind, babe
Oh, I
G#m7 A
Even after all, it still wrecks me
C#m **B**
To find out you knew how to forget me
G#m7 A
Even after all this time

[Bridge]

C#m B **G#m7 A**
Even after all this time
C#m B **G#m7 A**
'Cause I'm not ready
