

Call Me Maybe
Carly Rae Jepsen

[Intro]

G

[Verse 1]

C G
I threw a wish in the well
D Em
Don't ask me I'll never tell
C G
I looked to you as it fell
D
And now you're in my way
C G
I'd trade my soul for a wish
D Em
Pennies and dimes for a kiss
C G
I wasn't looking for this
D
But now you're in my way

[Pre-Chorus]

C G
Your stare was holding
D Em
Ripped jeans, skin was showin'
C G
Hot night, wind was blowin'
D
Where you think you're going baby?

[Chorus]

C G D Em C
Hey, I just met you and this is crazy
G D C G
But here's my number, so call me maybe It's hard to look right
D Em C
at you baby
G D C G
But here's my number, so call me maybe Hey, I just met you
D Em C
and this is crazy
G D C
But here's my number, so call me maybe

And all the other boys try to chase me
But here's my number, so call me maybe

[Verse 2]

You took your time with the call
I took no time with the fall
You gave me nothing at all
But still you're in my way
I beg and borrow and steal
At first sight and it's real
I didn't know I would feel it
But it's in my way

[Pre-Chorus]

Your stare was holding
Ripped jeans, skin was showin'
Hot night, wind was blowin'
Where you think you're going baby?

[Chorus]

Hey, I just met you and this is crazy
But here's my number, so call me maybe It's hard to look right
at you baby
But here's my number, so call me maybe Hey, I just met you
and this is crazy
But here's my number, so call me maybe
And all the other boys try to chase me
But here's my number, so call me maybe
