

HEAD OVER BOOTS

Jon Pardi

Original Key: G

BeatBuddy: Yes (4-count Intro)

Key of G

108 BPM

Intro: **G**

I wanna sweep you off your feet tonight,

I wanna love you and hold you tight

Spin you around on some old dance floor,

Act like we never met before, for fun

CHORUS:

'Cause you're the one I want, you're the one I need

Baby, if I was a king, ah you would be my queen

You're the rock in my roll, You're good for my soul, it's true

I'm head over boots for you

The way you sparkle like a diamond ring,

Maybe one day we can make it a thing, Test time and grow old together,

Rock in our chairs and talk about the weather, yeah

So, bring it on in for that angel kiss, Put that feel good on my lips

CHORUS:

'Cause you're the one I want, you're the one I need
Baby, if I was a king, ah you would be my queen
You're the rock in my roll, You're good for my soul, it's true
I'm head over boots for you

Instrumental:

BRIDGE:

Yeah, I'm here to pick you up, And I hope I don't let you down, no ...

CHORUS:

'Cause You're the one I want, you're the one I need
Baby, if I was a king, ah you would be my queen
You're the rock in my roll, You're good for my soul, it's true
I'm head over boots for (you)

CHORUS:

You're the one I want, you're the one I need
Baby, if I was a king, ah you would be my queen
You're the rock in my roll, You're good for my soul, it's true
