

Hard To Say 90 BPM
by
Dan Fogelberg

Open D tuning (D A D F# A D)

Intro (2x): D D* A6sus4* D* Gno5/B
 D D* A6sus4* D* Gmadd2/D Dmaj7 Em11/D

D Gno5/B
 Lucky at love, well maybe so
 D Gmadd2/D
 There's still a lot of things you'll never know
 D Gno5/B G6sus2/D D
 Like why each time the sky begins to snow you cry

D Em11/D Dmaj7 Gmadd2/D Dmaj7 Em11/D D

You're faithful to her in your careless way
And so you miss her when she's far away
But every time you think you've got it straight you fall

D D* A6sus4* D* Gno5/B

D D* A6sus4* D* Gno5/B

You face the future with a weary past
Those dreams you banked upon are fading fast
You know you love her but it may not last you fear

It's never easy and it's never clear
Who's to navigate and who's to steer
And so you flounder drifting ever near the rocks

D* A6sus4* D* Gmadd2/D Dmaj7 Am/D

(Chorus)
Gno5/B E11/D
It's hard to say where love went wrong
D G6sus2/D D C6/D
It's hard to say just when (It's so hard to say)
Gno5/B E11/D

It's hard to walk away from love
Em11/D Em11/D Dmaj7 Gmadd2/D
It may never come again

You do your best to keep your hand in play
And try to keep those lonesome blues at bay
You think you're winning but
It's hard to say sometimes

(Chorus)

Lucky at love, well maybe so
There's still a lot of things you'll never know
Like why each time the sky begins to snow you cry
You cry...oh you still have to cry

Outro (4x): D D* A6sus4* D* Gmadd2/D (on 4th D**)

Chords:
