

Ghost
Badflower

[Verse 1]

Bm **G**
I tried it once before but I didn't get too far
Em A Bm **G**
I felt a lot of pain but it didn't stop my heart
Em A Bm **G**
And all I really wanted was someone to give a little fuck
Em A Bm **G** **Em A**
But I waited there forever and nobody even looked up

[Verse 2]

A Bm **G**
I tried it once before and I think I might have messed up
Em A Bm **G**
I struggled with the veins and I guess I didn't bleed enough
Em A Bm **G**
But maybe I'm alive 'cause I didn't really wanna die
Em A Bm **G**
But nothing very special ever happens in my life

[Chorus]

Bm **G**
Take the blade away from me
Em
I am a freak
A
I am afraid
Bm **G**
That all the blood escaping me
Em
Won't end the pain
A
And I'll be haunting

Bm **G**
All the lives that cared for me
Em **A**
I died to be the white ghost
G **Em**
Of the man that I was meant to be

[Verse 3]

Bm G Em A Bm **G**
I tried it like before and this time I made a deep cut

Em A Bm **G** **Em**
But this life is overwhelming and I'm ready for the next one

[Chorus]

Bm **G**
Take the blade away from me
Em
I am a freak

I am afraid
Bm **G**
That all the blood escaping me
Em
Won't end the pain

All the lives that cared for me

I died to be the white ghost
G **Em** **Bm**
Of the man that I was meant to be, yeah

Em A Bm **G** **Em**
The cutting part is easy but regretting it is so fucked

Take the blade away from me
Em
I am a freak

Bm **G**
That all the blood escaping me
Em

[Post-Chorus]

G **Em**
The man that I was meant to be
