D   **D C D**
 Hey   I was just a skinny lad
Never knew no good from bad

Left alone with big fat Fanny
   G
She was such a naughty nanny
    D   **A**   **D D**
Heap big woman you made a bad boy out of me

[Interlude]

Hey hey!

[Verse 2]

I've been singing with my band

Across the wire across the land

                         A

I seen every blue eyed floozy on the way

   D

But their beauty and their style

         G

Went kind of smooth after a while

     D   **A**   **D**

Take me to them dirty ladies every time

    D

Come on

[Chorus]

           C   **G D**

Oh won't you take me home tonight?

         C   **A**   **D**

Oh down beside your red firelight

         G

Oh and you give it all you got

        D   **A**   **D G**

Fat bottomed girls you make the rockin' world go round

Ain't no beauty queens in this locality (I tell you)
     D
Oh but I still get my pleasure
G
Still got my greatest treasure

Heap big woman you gonna make a big man of me
     D
Now get this
