

Lowlife  
YUNGBLUD

[Intro]

Gm

I'm not gonna go out today

I gonna sit right here and wish the world away

Dm

'Cause I'm a lowlife lowlife

Gm

I don't care if the people stare

I'm gonna stay right here in my underwear

Dm

'Cause I'm a lowlife lowlife

[Verse 1]

Gm

You know I get embarrassed most of the  
days

When I'm walking 'round Camden with a smirk on my face

Dm

Put my hand in my pocket to find some change

Buy a bottle of gin to get the memories erased

Gm

'Cause you know what, life is extremely divisive

It's a fraudulent razor for you to trim your sides with

Dm

Young, dumb, living off mum

That's a line from a friend I thought I should bum

Gm

Now all the words are my own, but I don't want you to judge

I thought inspiration was all about fun

**Dm**

Life's been eating me up, it's poisoned

And if I leave the house, I'll get hit by a truck

[Chorus]

**Gm**

I'm not gonna go out today

I gonna sit right here and wish the world away

**Dm**

'Cause I'm a lowlife lowlife

**Gm**

I don't care if the people stare

I'm gonna stay right here in my underwear

**Dm**

'Cause I'm a lowlife lowlife

[Verse 2]

**Gm**

In the world of normal people, I'm a monkey

It's painted on their faces that they think I'm a junkie

**Dm**

In the way that I dress

The people I bed

The way I express

The things in my head

**D Gm**

I don't go to the bar

I sit in the dark

I smoke a cigar

I play the guitar

**Dm**

I stay in my house

I put on my sounds

The neighbors tell me to turn it down, so

[Chorus]

**Gm**

I'm not gonna go out today

I gonna sit right here and wish the world away

**Dm**

'Cause I'm a lowlife lowlife

**Gm**

I don't care if the people stare

I'm gonna stay right here in my underwear

**Dm**

'Cause I'm a lowlife lowlife

[Post-Chorus]

[Verse 3]

Gm

People come, people go

People high, people low

People stay, people change

Dm

People lie, people don't

I don't fulfill my potential

'Cause everyone around me is so self-referential

Gm

Hypocritical, maybe, a petulant baby

Wah wah wah

Shut up, you're driving me crazy

Dm

Call me a lowlife, that shit don't phase me

D

I'm alright on my own, I don't need you to save me

[Chorus]

Gm

I'm not gonna go out today

I gonna sit right here and wish the world away

Dm

'Cause I'm a lowlife lowlife

Gm

I don't care if the people stare

I'm gonna stay right here in my underwear
