On the road again

Just can't wait to get on the road again  
The life I love is making music with my friends  
And I can't wait to get on the road again

On the road again

Goin' places that I've never been  
Seein' things that I may never see again  
And I can't wait to get on the road again

On the road again

Like a band of gypsies we go down the highway  
We're the best of friends  
Insisting that the world keep turning our way  
And our way

Is on the road again

Just can't wait to get on the road again  
The life I love is makin' music with my friends  
And I can't wait to get on the road again

On the road again

Like a band of gypsies we go down the highway  
We're the best of friends  
Insisting that the world keep turning our way  
And our way ..... end of loop
