She confessed her love to me

Then she vanished on the breeze

Trying to hold on to that was just impossible

She was more than beautiful

Closer to ethereal

With a kind of down to earth flavor

Pre-Chorus 1:

Am9 G6 F6 G6

Close my eyes It's three in the afternoon

 Am9 G6 F6 Em

Then I realize That she's really gone for good

 C D/C Em

Anybody seen my baby

 C D/C Em

Anybody seen her around

 C D/C

Love has gone and made me blind

 Em

I've looked but I just can't find

 C D/C Em

She has gotten lost in the crowd

Verse 2:

And I was flippin' magazines

In that place on Mercer street

When I thought I spotted her

And getting on a motor bike
Looking really lady like
Didn't she just give me a wave?

Has she disappeared Has she really gone for good
