[Verse 1]

**D#** **D#7**  
She's totally committed to major independence  
**D#6** **D#**  
but she's a lady through and through.

**D#** **D#7**  
She gives them quite a battle, all that they can handle,  
**D#6** **D#**  
she'll bruise some, she'll hurt some too.

[Chorus]

**G# B** **D# D#**  
But, oh, they love to watch her strut.  
**G# B** **A#7 A#7**  
Oh, they do respect her but they love to watch her [Interlude] strut.

[Interlude]

**D#** **D#7** **D#6** **D#**  
**D#** **D#7** **D#6** **D#**

[Verse 2]

**D#** **D#7**  
Sometimes they'll want to leave her, just give up and leave her,

**D#6**                      **D#**  
but they would never play that scene.

**D#**                      **D#7**  
In spite of all her talking, once she starts in walking,

**D#6**                      **D#**  
the lady will be all they ever dreamed.

[Chorus]

**G# B**                      **D# D#**  
Oh, they love to watch her strut.

**G# B**                      **A#7 A#7**  
Oh, they'll kill to make the cut, they love to watch her [Interlude] strut.

[Interlude]

**D# D#7 D#6 D#**  
**D# D#7 D#6 D#**

[Solo]

**D# D#7 D#6 D#**  
**D# D#7 D#6 D#**

[End-Chorus]

**G# B**                      **D# F#5 F#5 F5 E5 D#5**  
Oh, they love to watch her strut.

**G# B**                      **A#7 A#7**  
Oh, they do respect her, but they love to watch her [Outro] strut.

[Outro] (Repeat and Fade Out)

**D# D#7 D#6 D#**
