|x54030| Try it out, and do what you like best.
|xx0033| The chords above match the song better.
|xx4033|
|x54030| Note: try using |x54030| insted of D also.

Chords

C: |032010|
D: |000232| or |x54030|
Dsus: |000230|
Dsus2: |000233|
Em: |022000|

Note: **D*** = **D/Dsus/D/Dsus2/D**

[Verse]

C **D***
She calls me from the cold
C **D***
Just when I was low, feeling short of stable
C **D***
All that she intends
C **D***
And all she keeps inside, isn't on the label
C **D** **Em** **D**
She's, she's ashamed
C **D** **Em** **D**
And she can take me for a while
C **D*** **C**
And can I be a friend, we'll forget the past
D
Or maybe I'm not able
D~
And I break at the bend

[Chorus]

Em **C** **Am** **D** **C**
We're here and now, will we ever be again
Am **D** **C**
Cause I have found

C~ C
All that shimmers in this world is sure to fade
D* C D*
Away again

[Verse]

 C D*
She dreams the champagne dream
 C D*
Strawberry surprise, pink linen on white paper
C D*
Lavender and cream
 C D*
Fields of butterflies, reality escapes her

C D Em D C D
Em D
She says that love is for fools that fall behind
C D*
I'm somewhere in between
 C D
I never really know A killer from a savior
D~
And I break at the bend

[Chorus]

Em C Am D C
We're here and now, will we ever be again
Am D C
Cause I have found
 C~ C
All that shimmers in this world is sure to fade
D* C D*
Away again

[Outro]

C D Em D
It's too far away for me to hold
C D Em
Too far away
