

## The Sky is Crying

[BB start, vocal begins after bass cue]

B7  
The sky is crying,  
E9 B7  
Look at the tears roll down the street.

E7  
The sky is crying,  
B7  
Look at the tears roll down the street.

G9\F#9  
I've been looking for my baby  
E9 B7 / E9 / B7 / G9 F#9  
And I'm wondering where can she be

I saw my baby early one morning  
She was walking on down the street  
I saw my baby early one morning  
She was walking on down the street  
You know it hurt me so bad  
It made my poor heart skip a beat

**JAM, [BB double tap] for outro**

I got a real, real bad feeling  
That my baby don't love me no more  
I got a real, real bad feeling  
That my baby don't love me no more  
You know the sky is crying  
The tears rolling down my nose.

**short solo and turnaround ending**
