

Love My Way  
The Psychedelic Furs

[Intro]

**Cmaj7 B7 Cmaj7 B7**

[Verse 1]

**Cmaj7 C**  
There's an army on the dance floor  
**B7**  
It's a fashion with a gun my love  
**Cmaj7 C**  
In a room without a door  
**B7**  
A kiss is not enough... in

[Chorus]

**C D D/C**  
Love my way it's a new road  
**C D D/C**  
I follow where my mind goes

[Verse 2]

**Cmaj7 C**  
They'd put us on a railroad  
**B7**  
They'd dearly make us pay  
**Cmaj7 C**  
For laughing in their faces  
**B7**  
And making it our way

**Cmaj7 C**  
There's emptiness behind their eyes

**B7**

There's dust in all their hearts

**Cmaj7** **C**

They just want to steal us all and

**B7**

Take us all apart... but not in

[Chorus]

**C** **D** **D/C**

Love my way it's a new road

**C** **D** **D/C**

I follow where my mind goes

**C** **B7**

Love my way it's a new road

**C** **B7**

I follow where my mind goes

[Solo]

**C** **B7** **C** **B7**

**C** **D** **D/C**

Love my way it's a new road

**C** **D** **D/C**

I follow where my mind goes

[Verse 3]

**Cmaj7** **C**

So swallow all your tears my love

**B7**

And put on your new face

**Cmaj7** **C**

You can never win or lose if

**B7**

You don't run the race

**Cmaj7** **C**

Yeah yeah yeah yeah yeah

**B7**

Yeah yeah yeah yeah yeah

[Outro]

**C D D/C C D D/C** (fade out)
