

Space Truckin'
Deep Purple

Intro: (G A D C A C D G A) x4

A C D A
We had a lot of luck on Venus, we always had a ball on Mars
A C D A
Meeting all the groovey people, we've rocked the Milky Way so far
D A D E
We danced around with Borealice, we're space truckin' round the the stars
A A A A
Come on, come on, come on, let's go space truckin'
E E E E F F# G
Come on, come on, come on, space truckin'

A C D A
Remember when we did the moonshot, and Pony Trekker led the way
A C D A
We'd move to the Canaveral moonstop, and every naut would dance and sway
D A D E
We got music in our solar system, we're space truckin' round the stars
A A A A
Come on, come on, come on, let's go space truckin'
