[Verse 1: Lick 1]

```
Bm                      G                      A
I took a walk around the world to ease my troubled mind
Bm                      G                      A
I left my body laying somewhere in the sands of time
Bm                      G                      A
I watched the world float to the dark side of the moon
Bm                      G      A
I feel there is nothing I can do,          yeah
```

Bm G A
I picked you up and put you back on solid ground

If I go crazy then will you still call me Superman
Bm G A
If I'm alive and well, will you be there holding my hand
