[Verse 1]

**Em**  
Well, you filled up my head with so many lies  
**A5**  
You've twisted my heart 'til something snapped inside  
**C** **D**  
I'd like to give it one more try  
**Em**  
But, my give a damn's busted

**Em**  
You can crawl back home, say you were wrong  
**A5**  
Stand out in the yard and cry all night long  
**C** **D**  
Go ahead and water the lawn  
**Em**  
My give a damn's busted

[Chorus]

**G D Em**  
I really wanna care  
**G D Em**  
I wanna feel something  
**G D Em**  
Let me dig a little deeper  
N.C.  
No, sorry, nothing

[Instrumental]

Maybe somebody else has got time to listen

**Em**

My give a damn's busted

Well, your therapist says it was all a mistake

A product of the Prozac and your codependent ways

**C**

So who's your enabler these days

**Em**

My give a damn's busted

[Chorus]

**G D Em**

I really wanna care

**G D Em**

I wanna feel something

**G D Em**

Let me dig a little deeper

My give a damn's busted
