Mornings alone

When you come home

If you're not here

How can you stay away, away so long?

Give me a reason

I, I don't wanna say it

Trying to find exactly what I miss

I'm just trying to hold on to something
B C# - F#
(Trying to hold on to something good)

Nooo

C# B C#-F# B

Give us a chance to make it, to make it.

I'm not that strong

I'm not that strong.
