Aw, but nothin' makes you go away
            C   G
I need something "You proof"

[Chorus]

              C   G
Something stronger than I'm used to
            C

You never ain't not around, yeah
C   G
 Don't matter what time or town, I can't get you gone
C   G
 Turned the bar, yeah, upside down
Just lookin' for somethin' that does it

Ain't nobody sellin' nothin' "You proof"

Something stronger than I'm used to

        G   C   G
Feel like nothing's gonna cut it, that's the hard truth

[Bridge]

Aw, but I must be doing somethin' wrong
                  C   G

'Cause I've been working hard to fade your memory

Baby, but the only thing faded is me
             C   G
I need something "You proof"

[Chorus]

               C   G
Something stronger than I'm used to
             C
Yeah, I've been pullin' 90 to 100
    G   C   G
Feel like nothing's gonna cut it, that's the hard truth
             C   G
I need something "You proof"

[Post-Chorus]

            C   G
Aw, I need something "You proof"

 I'd give up all my money
Ain't nobody sellin' nothin' "You proof"
