Elvis Costello

[Intro] Bsus4 - B - F#m7 - G#m7 - C#m - B - F#m7 - G#m7 - B

[Verse]

Oh it's so funny to be seeing you after so long girl
And by the way you look I understand that you were not impressed
But I heard you let that little friend of mine
Take off your party dress
I'm not gonna get too sentimental
Like those other sticky valentines
Cause I don't know if you were loving somebody
I only know it isn't mine

[Chorus]

Alison I know this world is killing you...Oh...
Alison my aim is true

[Verse]

Well I see you've got a husband now
Did he leave your pretty fingers lying in the wedding cake
You used to hold him right in your hand
But it was all he took all that he could take
Sometimes I wish that I could stop you from talking
When I hear those silly things that you say
I think somebody better put out the big light
Cause I can't stand to see you this way

[Chorus]

A E A B G#m C#m B
Alison I know this world is killing you...Oh...

A E A B E A D
Alison my aim is true

B E A D B E A D
My aim is true, My aim is true (Repeat - End on E)
