

Sit Down  
James

[Intro]

**E A B E**  
**A**

[Verse 1]

**B E**  
I'll sing myself to sleep  
**A B**  
A song from the darkest hour  
**E A B**  
Secrets I can't keep inside of the day  
**E**  
Swing from high to lean  
**A B**  
Extremes of sweet and sour  
**E**  
Hope that God exists  
**A B**  
I hope, I pray  
**E**  
Drawn by the undertow  
**A B**  
My life is out of control  
**E A**  
I believe this wave will bear my weight  
**B**  
So let it flow

[Chorus]

**E**  
Oh, sit down, oh, sit down, oh, sit down  
**A B**  
Sit down next to me  
**E A**  
Sit down, down, down, down, down  
**B E**  
In sympathy  
[Bridge]

[Verse 2]

E  
I'm relieved to hear  
A B  
That you've been to some far out places  
E  
It's hard to carry on  
A B  
When you feel all alone  
E  
Now I've swung back down again  
A B  
It's worse than it was before  
E  
If I hadn't seen such riches  
A B  
I could live with being poor

[Chorus]

E  
Oh, sit down, oh, sit down, oh, sit down  
A B  
Sit down next to me  
E A  
Sit down, down, down, down, down  
B E  
In sympathy

[Interlude]

E A B E  
Those who feel the breath of sadness  
A B  
Sit down next to me  
E  
Those who find they're touched by madness  
A B  
Sit down next to me  
E  
Those who find themselves ridiculous

A B  
Sit down next to me

E  
In love and fear and hate and tears

A B  
In love and fear and hate and tears

E  
In love and fear and hate and tears

A B  
In love and fear and hate
