

Creep
Stone Temple Pilots

[Intro]

C B7 (Open E) Em | C B7 Em

- * Alternate the B7 (Open E) and the B7 in the verse
- ** When playing Em in the bridge, you can alternate the chord by holding B string (3rd Fret) and High E string (3rd fret) back and forth
- *** The last line of the bridge has a variance on the C to D but this is the easiest way to play it.
