

Wild Nights
John Mellencamp

[Intro]

Em G, Em G, Em G, C D G

[Verse]

As you brush your shoes, you stand before your mirror
And you comb your hair, grab your coat and hat
And you walk the streets, trying to remember, yeah
All those wild nights breeze through your mind

[Chorus]

And everything looks so complete, when you're
walkin' down on the streets
And the wind catches your feet, sets you flyin', cryin'
Ooh ooh ooh wee
Wild night is calling

[Verse]

All the girls walk by, dressed up for each other
And the boys do the boogie woogie, on the corner of the street
And the people passing by just stare in wild wonder, yeah
And inside the jukebox roars just like thunder

[Chorus]

Em C Em C
And everything is so complete, when your walkin down on the streets
Em C D
And the wind it catches your feet, it sets you flyin', cryin'
Em C D Em
Ooh ooh ooh wee
