[Verse 1]

E7M G#m/C#

When I look into your eyes

B

I can see a love restrained

E7M G#m/C#

But darlin' when I hold you

B

Don't you know I feel the same

C#m F#

Nothin' lasts forever

B

And we both know hearts can change

C#m F#

And it's hard to hold a candle

B

In the cold November rain

[Verse 2]

E7M G#m/C#

We've been through this such a long long time

B

Just tryin' to kill the pain, o yeah

E7M

But love is always coming and love is always going

G#m/C#

B

And no one's really sure who's lettin' go today

Walking away

E7M

If we could take the time

To lay it on the line

G#m/C#

I could rest my head

B

Just knowin' that you were mine

All mine

C#m

F#

So if you want to love me

B

Then darlin' don't refrain

C#m

F#

Or I'll just end up walkin'

B

In the cold November rain

[Bridge]
