Where I almost made out with the Homecoming Queen

**B F#**

Who almost went on to be Miss Texas

**G#m E**

But lost to a slut with much bigger breasts

**B F#**

I almost dropped out to move to L A

**G#m E**

Where I was almost famous for almost a day

[Chorus]

**B F# G#m**

And I almost had you

**E**

But I guess that doesn't cut it

**B F# G#m**

Almost loved you

**E** **B**  
I almost wish you would've loved me too

[Verse 2]

I almost held up a grocery store  
**G#m** **E**  
Where I almost did five years and then seven more  
**B** **F#**  
Cause I almost got popped for a fight with a thug  
**G#m** **E**  
Cause he almost made off with a bunch of the drugs  
**B** **F#**  
That I almost got hooked on cause you ran away  
**G#m** **E**  
And I wish I would've had the nerve to ask you to stay

[Chorus]

**B F# G#m**  
And I almost had you  
**E**  
But I guess that doesn't cut it  
**B F# G#m**  
Almost had you  
**E**  
And I didn't even know it  
**G#m**  
You kept me guessin'  
**F#**  
And now I'm destined  
**E Em**  
To spend my time missin' you  
**E B**  
I almost wish you would've loved me too

I almost wrote a song about you today  
**G#m E**  
But I tore it all up and then I threw it away!
