[Verse 1]

D G  
I took off for a weekend last month  
A D  
Just to try and recall the whole year  
G  
All of the faces and all of the places  
A D  
Wonderin' where they all disappeared  
Bm F#m  
I didn't ponder the question too long  
G A  
I was hungry and went out for a bite  
G D  
Ran into a chum with a bottle of rum  
A D  
and we wound up drinkin' all night

[Chorus]

G D  
It's those changes in latitudes, changes in attitudes  
A D  
Nothing remains quite the same  
G D  
With all of our running and all of our cunning  
A G D  
If we couldn't laugh we would all go insane

[Verse 2]

D G  
Reading departure signs in some big airport  
A D  
Reminds me of the places I've been

Visions of good times that brought so much pleasure  
Makes me want to go back again  
If it suddenly ended tomorrow  
I could somehow adjust to the fall  
Good times and riches and son of a bitches  
I've seen more than I can recall

[Chorus]

G D  
 These changes in latitudes, changes in attitudes  
A D  
 Nothing remains quite the same  
G D  
 Through all of the islands and all of the highlands  
A G D  
 If we couldn't laugh we would all go insane

[Instrumental]

| G | D | A | G | D | D |

[Verse 3]

D G

I think about Paris when I'm high on red wine

A D

I wish I could jump on a plane

G

So many nights I just dream of the ocean

A D

God, I wish I was sailin' again

Bm F#m

Oh, yesterday's over my shoulder

G A  
So I can't look back for too long  
G D  
There's just too much to see waiting in front of me

A                          D  
And I know that I just can't go wrong

[Chorus]

          G                          D  
With these changes in latitudes, changes in attitudes

A                          D  
Nothing remains quite the same

          G                          D  
With all of our running and all of my cunning

A                          G          D  
If I couldn't laugh, I just would go insane

A                          G          D  
If we couldn't laugh, we just would go insane

A                          G  A  G  D  A  A/C#  D  
If we weren't all crazy we would go insane
