

WASN'T THAT A PARTY

Key of G
174 BPM

Irish Rovers

Original Key: F/G

BeatBuddy: Yes (2-bar intro)

Intro: **G**

CHORUS:

G
Could have been the whiskey, might have been the gin

Could have been the three or four six-packs,

I don't know, but look at the mess I'm in

 **C** **G**
My head is like a football, I think I'm gonna die

D  **D*** **G**
Tell me, me oh, me oh, my... wasn't that a party?

G
Someone took a grapefruit, wore it like a hat

I saw someone under my kitchen table, talking to my old tom cat

 **C** **G**
They were talking about hockey, and the cat was talkin back

D  **D*** **G**
Along about then everything went black... Oh wasn't that a party?

BRIDGE 1:

C **G** 
I'm sure it's just my memory, playin' tricks on me

A **D**  **D***
But I think I saw my buddy cuttin' down my neighbour's tree

CHORUS:

Could have been the whiskey, might have been the gin

Could have been the three or four six-packs,

I don't know, but look at the mess I'm in

My head is like a football, I think I'm gonna die

Tell me, me oh, me oh, my... wasn't that a party?

Interlude: G C G D C G (x2)

BRIDGE 2:

1 C G Billy Joe and Tommy, well, they went a little far

A* They were sitting in the back yard blowing on the siren,

D* From somebody's police car

G So, you see, your honour, it was all in fun

That little bitty track meet down on main street,

Was just to see if the cops could run

C G Well, they run us in to see you, in an alcoholic haze

D* G I sure can use those thirty days, to recover from the party

(Key change)
