Rocket Man

Elton John

[Verse 1]

Gm7   C9

She packed my bags last night - pre-flight

Gm7   C9

Zero hour, nine A.M.

D#   A#   Cm   F

And I'm gonna be high as a kite by then

Gm7   C9

I miss the earth so much, I miss my wife

Gm7   C9

It's lonely out in space

D#   A#   Cm   F

On such a timeless flight

[Chorus]

A#   D#

 And I think it's gonna be a long long time

                                         A#

Til touchdown brings me 'round again to find

                                    D#

I'm not the man they think I am at home

            A#   C9

Oh no, no, no, I'm a rocket man

D#   A#   D#

Rocket man, burnin' out his fuse up here alone

[Chorus]

A#   D#

 And I think it's gonna be a long long time

```
                                                    A#
Til touchdown brings me 'round again to find
                                         D#
I'm not the man they think I am at home
             A#          C9
Oh no, no, no, I'm a rocket man
D#                                    A#          D#
Rocket man, burnin' out his fuse up here alone

[Verse 2]

Gm7                                C9
Mars ain't the kinda place to raise your kids
Gm7                      C9
In fact it's cold as hell
D#                    A#       Cm                      F
And there's no one there to raise them if you did
Gm7                                    C9
And all this science, I don't understand
Gm7                              C9
It's just my job five days a-week
D#         A# Cm            F
Rocket man - - - rocket man

[Chorus]

A#                                        D#
 And I think it's gonna be a long long time
                                      A#
Til touchdown brings me 'round again to find
                                  D#
I'm not the man they think I am at home
             A#          C9
Oh no, no, no, I'm a rocket man
D#                                    A#          D#
Rocket man, burnin' out his fuse up here alone
```

```
A#                                          D#
 And I think it's gonna be a long long time
                                       A#
Til touchdown brings me 'round again to find
                                 D#
I'm not the man they think I am at home
            A#          C9
Oh no, no, no, I'm a rocket man
D#                                  A#
Rocket man, burnin' out his fuse up here alone

[Outro]

D#                              A#
  And I think it's gonna be a long long time
D#                              A#
  And I think it's gonna be a long long time
```

Repeat 6 more times and fade out
