**Em**

[Verse 1]

**Am**                      **Bm**              **Em**  
Did you really think, I'd just forgive and forget, no  
**Am**                      **Bm**  
After catching you with her  
                         **Em**  
Your blood should run cold, so cold

[Pre-Chorus]

**C**   **Dsus2**   **B7**                      **Em**  
You,    you twotiming, cheaplying, wannabe  
         **C**   **Dsus2**      **B7**  
You're a fool,    if you thought that I'd just let this go

[Chorus]

**Em**   **Bm**      **Am**  
I see red, red, oh red  
                 **Em**   **Bm**              **Am**  
A gun to your head, head, to your head  
         **Bm**      **Em**  
Now all I see is red, red, red

[Verse 2]

**Am**                      **Bm**              **Em**  
Did you really just say, she didn't mean anything, oh  
**Am**                      **Bm**                      **Em**  
I'll remember those words, when I come for your soul, your soul

[Pre-Chorus]

**C Dsus2 B7 Em**  
Know that you, you dug your own grave, now lie in it  
**C Dsus2 B7**  
You're so cruel, but revenge is a dish best served cold

[Chorus]

**Em Bm Am**  
I see red, red, oh red  
**Em Bm Am**  
A gun to your head, head, to your head  
**Bm Em Bm**  
Executioner style, and there won't be no trial  
**Am**  
Don't you know that you're better off dead  
**Bm Em Bm Am**  
All I see is red, red, oh red  
**Bm**  
Now all I see is

[Solo]

**C B7 Em Dsus2**  
Uh, uh  
**C B7 A**

Run, hide  
**Bm Em**

**Bm Am Bm**  
Oh, better sleep with one eye open tonight

**Em Bm Am**  
I see red, red, oh red  
**Em Bm Am**  
With a gun to your head, head, to your head  
**Bm Em Bm**  
Executioner style, and there won't be no trial

All I see is red, red, oh red

Now all I see is red, red
