Van Halen

[Intro]

**Eb5**

**Eb5**

She saw the look in his eyes

[Verse 1]

And she knew better  
He wanted her tonight, ah  
And it was now or never

**Bb5 Ab5**

He made her feel so sad

[Chorus]

**Eb5**

Oh, whoa, whoa, Jamie's cryin'  
Oh, whoa, whoa, Jamie's cryin'

**Eb5**

Now Jamie wouldn't say alright

[Verse 2]

She knew he'd forget her  
And so they said good night, ooh  
And now he's gone forever

**Ab5**

She wants to send him a letter, ayeah yeah

[Pre-Chorus]

Ajust to try to make herself feel better  
It said "Gimme"  
But she knows what that'll get her

[Chorus]

Oh, whoa, whoa, Jamie's cryin'  
Oh, whoa, whoa, Jamie's cryin'
