[Verse]

      A#m  /  /  / G# /  F#  /  A#m / / / - / / / /
And she pours herself another cup of coffee
        A#m            G#     F#       A#m
As she contemplates the stain across the wall
    A#m            G#      F#      A#m
And it's in between the cleaning and the washing
          D#m7              C#      G#/C  A#m
That's when looking back's, the hardest part of all

      A#m          G#      F#      A#m
And she always did her best to try and please him
        A#m          G#      F#      A#m
While he always did his best to make her cry
      A#m            G#      F#       A#m
And she got down on her knees to stop him leaving
        D#m7          C#      G#/C  A#m
But he always knew one day he'd say goodbye

[Chorus]

F#/G#          C#/G#                  G#
  Where are your friends, where are your children
\F#/G#         C#/G#            G#
  Is this your house is this your home
F#            C#/F        G#/D#
  Does nothing ever last forever,
F#/A#        C#/G#        G#
  Does everybody sleep alone?

[Interlude]

A#m |Fm  D# |D#    |D#m F# / / C# / G# / / / / / D#m / F# /  X 2
1  2 3 4 1 2 3 4 1 2 3 4 1  2 3 4

    A#m            G#      F#      A#m
And he tear´s the business tags from his old suitcase
    A#m         G#    F#    A#m
As he packs away the pieces of his life
      A#m            G#    F#    A#m
They all love him but they always try to change him
        D#m7        C#    G#      A#m
That's what happens when a girl becomes a wife

    A#m          G#    F#    A#m
And she pours herself another cup of coffee
      A#m            G#   F#      A#m
And the pictures leave a clean space on the wall
    A#m              G#      F#      A#m
And it's in between the leaving and the loving
        D#m7          C#    G#      A#m
That's when looking back's, the hardest part of all

[Chorus]

F#/G#          C#/G#              G#
  Where are your friends, where are your children
F#/G#        C#/G#          G#
  Is this your house is this your home
F#          C#/F      G#/D#
  Does nothing ever last forever,
F#/A#      C#/G#        G#
  Does everybody sleep alone?

A#m          G#          G#  F#
 And she pours herself another cup of coffee
A#m          G#          G#  F#
 And she pours herself another cup of coffee
A#m          G#          G#  F#
 And she pours herself another cup of coffee
A#m          G#          G#  F#
 And she pours herself another cup of coffee
