

You're Gonna Go Far Kid  
Offspring

[Verse 1]

**Am**

Show me how to lie

**F**

You're getting better all the time

**C**

And turning all against the one

**G**

Is an art that's hard to teach

**Am**

Another clever word

**F**

Sets off an unsuspecting herd

**C**

And as you get back into line

**G**

A mob jumps to their feet

**Am**

Now dance, fucker, dance

**F**

Man, he never had a chance

**C**

And no one even knew

**G**

It was really only you

**F**

And now you steal away

[Pre-Chorus]

**Dm**

Take him out today

**F**

Nice work you did

**E**

You're gonna go far, kid

**G** **Am**

With a thousand lies

[Chorus]

**F**

And a good disguise

**C**

Hit 'em right between the eyes

**G**

Hit 'em right between the eyes

**Am**

When you walk away

**F**

Nothing more to say

**C**

See the lightning in your eyes

**G**

**Am**

See 'em running for their lives

[Verse 2]

**Am**

Slowly out of line

**F**

And drifting closer in your sights

**C**

So play it out I'm wide awake

**G**

It's a scene about me

**Am**

There's something in your way

**F**

And now someone is gonna pay

**C**

And if you can't get what you want

**G**

Well it's all because of me

**Am**

Now dance, fucker, dance

**F**  
Man, he never had a chance  
**C**  
And no one even knew  
**G**  
It was really only you  
**F**  
And now you'll lead the way

[Pre-Chorus]

**Dm**  
Show the light of day  
**F**  
Nice work you did  
**E**  
You're gonna go far, kid  
**G**  
Trust deceived

[Chorus]

**Am**  
With a thousand lies  
**F**  
And a good disguise  
**C**  
Hit 'em right between the eyes  
**G**  
Hit 'em right between the eyes  
**Am**  
When you walk away  
**F**  
Nothing more to say  
**C**  
See the lightning in your eyes  
**G** **Am**  
See 'em running for their lives
