

When You're In Love With A Beautiful Woman
Dr. Hook

[Intro]

[Verse]

When you're in love with a beautiful woman it's hard
When you're in love with a beautiful woman you know it's hard
Everybody wants her, everybody loves her
Everybody wants to take your baby home

[Verse]

When you're in love with a beautiful woman you watch your friends
When you're in love with a beautiful woman it never ends
You know that it's crazy, you want to trust her
Then somebody hangs up when you answer the phone
When you're in love with a beautiful woman you go it alone

[Chorus]

Maybe it's just an ego problem
Problem is, I've been fooled before
By fair weathered friends and faint hearted lovers
And every time it happens it just convinces me more

[Verse]

When you're in love with a beautiful woman you watch her eyes
When you're in love with a beautiful woman you look for lies
Everybody tempts her, everybody tells her
She's the most beautiful woman they know

[Coda]

When you're in love with a beautiful woman you go it alone
When you're in love with a beautiful woman you watch your friends
When you're in love with a beautiful woman it never ends
When you're in love with a beautiful woman you watch her eyes
When you're in love with a beautiful woman you keep looking for
lies

[Fade]
