

Roll to Me
Del Amitri

[Verse 1]

F# B
Look around your world, pretty baby.
F# B C#
Is it everything you hoped it would be?
F# B
The wrong guy, the wrong situation,
F# B (strum) F#
The right time to roll to me.

[Verse 2]

F# B
Look into your heart, pretty baby.
F# B C#
Is it aching with some nameless need?
F# B
Is there something wrong and you can't put your finger on it?
F# B (strum) F#
Right then, roll to me.

[Bridge]

C#m Bm F# G#m
And I don't think I have ever seen a soul so in despair...
F# B
So if you want to talk the night through,
G#m C#
Guess who will be there?

[Verse 3]

F# B
So don't try to deny it, pretty baby,
F# B C#
You've been down so long you can hardly see.
F# B
When the engine's stalled, it won't stop runnin',

F# B (strum) F#
It's the right time to roll to me.

[Verse 4]

F# B
So look around your world, pretty baby.
F# B C#
Is it everything you hoped it would be?
F# B
The wrong guy, the wrong situation,
F# B F#
The right time to roll to me.
B F#
The right time to roll to me.
B F#
The right time to roll to me.
