[Verse 1]

Em D

I'm in the business of misery,

Em

Let's take it from the top.

C

She's got a body like an hourglass

Em

That's ticking like a clock.

D

It's a matter of time

Em

Before we all run out,

When I thought he was mine

C

She caught him by the mouth.

Em

I waited eight long months,

D

She finally set him free.

Em

I told him I couldn't lie,

C

Em

He was the only one for me.

D

Two weeks and we had caught on fire.

**Em**  
She's got it out for me,  
**C** **Em D**  
But I wear the biggest smile.

[Chorus]

**C** **G**  
Whoah, I never meant to brag,  
**D** **E7sus4/B** **D**  
But I got him where I want him now.

**C** **G** **D**  
Whoah, it was never my intention to brag,  
**E7sus4/B** **D**  
To steal it all away from you now.  
**C**  
But God, does it feel so good,  
**D**  
'cause I got him where I want him now.  
**C**  
And if you could then you know you would,  
**D** **Em**  
'cause God, it just feels so,

[Pre-Verse]

**D** **Em** **C**  
It just feels so good.

[Verse 2]

**Em** **D**  
Second chances, they don't ever matter,  
**Em**  
People never change.  
**C**  
Once a whore, you're nothing more,  
**Em**  
I'm sorry, that'll never change.  
And about forgiveness  
**D** **Em**  
We're both supposed to have exchanged,  
**C**  
I'm sorry, honey, but I passed that up,  
Now look this way!

**Em** **D**  
Well, there's a million other girls  
Who do it just like you,  
**Em** **C**  
Looking as innocent as possible  
**Em**  
To get to who they want and what they like,  
**D**  
It's easy if you do it right,  
**Em** **C** **Em D**  
Well, I refuse, I refuse, I refuse!

[Chorus]

**C** **G**  
Whoah, I never meant to brag,  
**D** **E7sus4/B** **D**  
But I got him where I want him now.
