

The Logical Song
Supertramp

[Intro]

Cm

[Verse 1]

Cm **Bb**
When I was young, it seemed that life was so wonderful
Ab Cm6
A miracle, oh it was beautiful, magical
Cm Bb
And all the birds in the trees, well they'd be singing so happily
Ab Cm6
Oh joyfully, playfully watching me

[Verse 2]

Cm Bb
But then they send me away to teach me how to be sensible
Ab Cm6
Logical, oh responsible, practical
Cm Bb
And they showed me a world where I could be so dependable
Ab Cm6
Oh clinical, oh intellectual, cynical

[Chorus]

Eb Eb6
There are times when all the world's asleep
Eb
The questions run too deep
Db Db(b5) Bbm
For such a simple man
Ab Eb Eb6
Won't you please, please tell me what we've learned

Eb
I know it sounds absurd
Db Db(b5) Bbm Ab
Please tell me who I am

[Verse 3]

Db Db(b5) Bbm Ab Cm Bb
I said, watch what you say or they'll be calling you a radical
Ab Cm6
Liberal, oh fanatical, criminal
Cm Bb
Won't you sign up your name, we'd like to feel you're Acceptable
Ab Cm6
Respectable, oh presentable, a vegetable!
Cm
Oh, take it take it take it yeah
